

## Activity Report 2014

### *Nabad Introduction*

Association NABAD for development is a civil non-governmental organization; non-profit and secular association founded in 2013 and is working towards sustainable development of individuals and the society. Relying on the principles of equality and equal opportunity and justice, NABAD aims to raise public awareness on citizenship, child protection, democracy , human rights, promote gender equality, empower youth and women, and establish the concept of tolerance, conflict resolution and citizen participation.

Nabad addresses challenges posed by the community at the local and national level, and responds to these challenges through a wide range of networks of civil society organizations and with social groups to train and empower them in order to meet the needs of the local community.

### *Nabad Vision*

We believe that whatever the challenges are, people have the ability and power to change their lives when they have the right resources.

### *Nabad Mission*

Our mission is to inspire people in order to achieve immediate and lasting positive change in their lives.
