

Activity Report 2017

Nabad Introduction

Founded in 2013, Association Nabad for Development, hereinafter referred to as NABAD, is a civil, non-governmental and non-profit organization working on the alleviation of human suffering, dismantlement of injustices, development of impoverished and disenfranchised communities, and empowerment of individuals. With the Universal Declaration of Human Rights as its base for action, Nabad's principal focus is on ensuring that individuals and communities are aware about their rights and responsibilities, have the capacity to practice these rights and have access to the means that allow them to enjoy these rights. Among the domains that the Organization has experience working in include alleviation of poverty and conflicts, raising public awareness on citizenship, protection, democracy and human rights, empowerment of youth and women, and promotion of social stability and peace building. Nabad concentrates its efforts on helping refugees, developing the Lebanese society in general and the local communities in Bekaa and Mount Lebanon in particular, especially by supporting and developing poor families and enhancing the educational, economic and social aspects of the marginalized and underprivileged segments thereof. Furthermore, it focuses on providing these communities with the resources and expertise that are necessary to reach proper environment for creativity to consolidate, strengthen and further develop their capacities and so of the civil institutions and avail access to the resources that allow them to reach their full potential.

The Organization's scope of operation covers the entire area of Bekaa and Mount Lebanon. Nabad operates five offices in five different and widely dispersed townships including Barja, Tamnin, Shwayfat, Jeb Jannine and Rayak where the head office is situated. The villages and areas covered by the Organization represent the entirety of Bekaa & Mount Lebanon in all of its religious and confessional diversity, cultures, affiliations, economies and communities, and its' staff come from these very communities. Nabad has a human resource base of 40 staff members and a volunteer corps of 300 professionals. All of the staff members have a solid experience in the Emergency Response Operation for Syria Crisis in various positions ranging from front line field staff to senior management ranks and have developed a solid expertise in the various sectors of the humanitarian field.
